

PROGRAM DESCRIPTION

Center for Allied Health Education's Paramedic Program is an intensive, twelve-month course, leading to New York State Department of Health and New York City Regional Emergency Medical Advisory Committee certification as an emergency medical technician-paramedic. Upon successful completion of the program, students also receive BLS, ACLS and PALS and PHTLS certification. The course curriculum includes didactic work (lectures and labs), as well as clinical rotations.

The Paramedic Program follows the latest national curriculum for EMT-Paramedic training. Students are taught the cognitive, clinical and technical skills necessary to practice pre-hospital advanced life support.

The Program is an approved National Registry Skills Testing Site and qualifies graduates for the National Registry Practical Exam.

Center for Allied Health Education

1401 Kings Highway
Brooklyn, NY 11229

The Paramedic Program complies with the Federal Education Rights and Privacy Act regulations and a report on the completion and graduation rates is available on www.cahe.edu. Students can also request a complete annual campus security report from the administrative office. This report includes statistics for the previous three years concerning reported crimes that occurred on campus in certain off-campus buildings or property owned or controlled by Center for Allied Health Education and on public property within or immediately adjacent to and accessible from the campus. The report further includes institutional policies concerning campus security, such as policies regarding sexual assault and other matters.

Paramedic Program

APPLICATION PROCESS

- Applicants should complete and submit the program application (including all official transcripts and additional paperwork that is outlined in the application) along with a \$100 non-refundable application fee.
- Within two weeks, applicants will be notified if they are exempt from the entrance exam, or will otherwise be scheduled to take the exam. Those who are scheduled for the entrance exam will be provided with an online link to best prepare for the exam.
- Upon successful completion of the entrance exam, or meeting the exemption requirements, individuals will be scheduled for an interview with members of the Admissions Committee.
- The Admissions Committee will convene and evaluate all elements of the admissions file. A final decision regarding acceptance can be expected within four weeks of the interview.
- Upon acceptance into the program, a \$100 registration fee and \$500 of the tuition must be paid to reserve a seat in the class. Space is limited and seats are reserved on a first-come, first-served basis.

ADMISSION REQUIREMENTS

In order to qualify for the program, candidates must:

- Be 18 years of age prior to orientation.
- Meet the Technical Standards for Admission.
- Hold a High School Diploma or a High School Equivalency Diploma/GED.
- File a completed application along with a \$100 non-refundable application fee.
- Submit all supplemental paperwork, including official copies of high school and college transcripts (if applicable).
- Demonstrate successful performance on a program's entrance exams.
- Applicants who have an 80% or above on their New York State Written Certification Examination (within the past three years) will be exempt from the EMT Knowledge section of the entrance exam. Applicants who meet either of the following criteria will have the English and/or Math entrance exam requirement waived:
 - A minimum SAT score of 470 in Critical Reading and/or 490 in Math.
 - A minimum ACT score of 19 in English and/or 20 in Math.
 - A minimum grade of "C" on a college level, credit bearing Math and/or English/Literature course taken at a regionally accredited institution.
- Receive a favorable recommendation after an interview by members of the Admissions Committee.

ACCREDITATION

CAHE's Paramedic Program is accredited by the Committee on Accreditation of Allied Health Education Programs (CAAHEP) and recognized by the New York State Department of Health (NYSDOH) Bureau of Emergency Medical Services.

Accreditation is granted only after recommendation by CAAHEP's Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) based on a programmatic review and site visit. Recognition by CAAHEP qualifies the program's graduates for eligibility to apply for and take the certification exam for the National Registry of EMT's (NREMT). Recognition by the NYSDOH Bureau of EMS allows graduates to sit for the New York State Written Examination.

COLLEGE AFFILIATIONS

ASSOCIATE DEGREE

Center for Allied Health Education in conjunction with Clarion University of Pennsylvania's online college programs, is now offering its students the opportunity to receive college credits towards an associate's degree in allied health. Center for Allied Health Education has been pre-approved as a qualified allied health training provider by Clarion University. Students can begin receiving college credits towards their associate's degree while enrolled at Center for Allied Health Education's Paramedic Program.

BACHELOR DEGREE

Center for Allied Health Education is articulated with St. Francis College and St. Joseph's College. Articulation agreements afford students the opportunity to receive college credits towards a bachelor's degree for their paramedic training at these institutions.

Please refer to www.cahe.edu for additional details, including tuition and financial aid information.
